

**STATEMENT OF INTEREST REQUEST FOR ENGINEERING SERVICES
ROCK ISLAND COUNTY
County Highway 9 Bridge
Section No. 20-00382-00-BR**

Overview:

The Rock Island County Highway Department is in need of Phase I & Phase II engineering services for the repair/replacement of structure 081-3110 over Copperas Creek, located on County Highway 9 (140th Street West), approximately 2.0 miles south of IL 94/192. The existing structure is a three span (34'-6", 35'-0", 34'-6") precast, prestressed concrete deck beam bridge.

Consultant Scope of Services:

Phase I & II preliminary engineering services are needed for all necessary work to prepare the plans, specifications and estimates (PS&E) package. Specific tasks include, but are not limited to:

- Data collection and survey
- Environmental studies coordination
- Prepare IDOT forms and reports, including the Bridge Condition Report and the Preliminary Bridge Design Hydraulic Report.
- Prepare contract plans and project special provisions/specifications
- Prepare estimate of cost and time
- Right of Way acquisition including Highway Plats and Legals, if necessary

Phase I & II engineering are expected to be completed for a spring 2021 Local letting.

Project Parameters:

- Preliminary Engineering will be funded with State MFT and County funds.
- The prime must be IDOT prequalified in the following categories:
 - Structures: Highway - Typical
- Construction will be funded with State MFT and County funds.
- The construction contract will be awarded by Rock Island County.

Statements of Interest (SOI) Requirements:

- SOI's shall be limited to not more than two (8 ½ X 11) pages and include, at a minimum, the following information:
 1. Name of firm with address and contact information
 2. Contact person for the firm
 3. Statement indicating firm's interest in the project
 4. Summary of projects similar in scope & magnitude recently completed by the firm
 5. List of proposed key staff who would be assigned to the project
 6. List of proposed sub consultants.

Statements of Interest are due by January 31, 2020 by 3:00 PM and may either be mailed to:

Rock Island County Engineer
851 W. 10th Ave (P.O. Box 797)
Milan, IL. 61264

or sent via email to: Highway@co.rock-island.il.us

Selection Process:

The selection of the Consultant will be made in compliance with the County's most current "Rock Island County Highway Department Qualification Based Selection Procedure – Non-Federal Participation" which is posted on the County's website, rockislandcounty.org

Shortlisted firms will be notified by early February 2020. A statement of qualifications will be requested from each shortlisted firm.
